Kent A. Trofholz

Dear OMACCS Member School,

For many years, The Ohio-Michigan Association of Career Colleges and Schools' participating institutions have offered numerous scholarships for high school seniors. Last year, 185 scholarships valued in excess of \$268,000 were offered through the *LEADS! Scholarship* program.

The *LEADS! Scholarship* program provides financial assistance to graduating high school seniors who will be attending an OMACCS Member School after graduation. Available scholarships may cover full tuition or a specific dollar amount.

With the increasing costs of post-secondary education, scholarships with larger amounts usually receive the most attention. Awarded scholarships are not transferrable to other schools or their programs, and finances for the scholarships are provided by the member schools and colleges and no state or federal funds are involved.

*LEADS! Scholarship* correspondence will be sent to all Ohio and Michigan high school principals and public libraries directing them to the OMACCS website where they can view the complete listing of scholarships and application materials. This is your opportunity to get your college or school information and the programs you offer into every high school in Ohio and Michigan.

Once again, these scholarships are an in-kind tuition reduction provided by your institution, they are not transferable and will only be honored at your institution.

Please complete the enclosed participation form and return it to our office by **November 22, 2019**. If you have any questions, please feel free to contact me. As always, thank you for your continued partnership and support.

Sincerely,

Kent A. Trofholz  
Executive Director
